

A Call To Brotherhood

REMINDER

This Weekend!

The New Hampshire Fallen Fire Fighter's Memorial

The New Hampshire Fallen Fire Fighter's Memorial Committee would like to announce a call to brotherhood. On the weekend of August 26th & 27th, 2006 we need your help to construct a memorial to honor our brothers and sister who have made the ultimate sacrifice.

This memorial will be located on the grounds of the New Fire Academy. This memorial will have a grand brick walkway leading to a Memorial Bell set on beautiful granite base in the center of the memorial. Along with the walk, there will be seating in the form of granite benches and flag poles. All of this will be accompanied by candle holders and an eternal flame for those lost in the line of duty.

During the past few months the committee has been working hard to organize the logistics of this task. We are looking for fighters and landscapers alike to help construct the unique memorial. It doesn't matter what level of landscaping skill you have, all are welcomed. If you are a brick layer, landscaper, cook or have one or more talents or skills that might be useful; or if you have a source for materials, tools, food or can help in anyway your help is needed.

The call will begin on August 25th, 2006 with check in at the New Hampshire Academy from 15:00hrs to 19:00hrs. Work on the memorial will start at 07:00hrs for both Saturday and Sunday morning with shutdown at 17:00hrs. Breakfast and lunch will be provided along with a barbecue dinner on Saturday night.

In addition, we are looking for help to continue the sale of the memorial bricks. If you would like to purchase a brick, which will be on sale year round, and have it inscribed please go to: <http://www.nhsfa.org/NHSFAMemorialBell.htm> and click on *download memorial donation form*. Bricks will be placed a few times per year as needed.

The bricks that line the walkway and bell area will be up for a donation of fifty or one hundred dollars. These amounts will get an inscription of your words put on them to remain in the memorial forever. We also still have available 12"x 24" granite plaques for a donation of five hundred dollars that will be placed as dividers in the brick walk.

It is our hope that with this memorial we can give back to the families and friends of those who have been lost in the line of duty in the State of New Hampshire.

To view a color photo of the plans, request a registration form or purchase a brick for this memorial please visit WWW.NHSFA.ORG.

If you would like to provide a donation for a brick or register and/or can't access the registration form or provide a donation for a brick through the web site, or just have questions regards this memorial project please contact;
